

4th Manufacturing Engineering Society International Conference

MESIC 2011

Cádiz, Spain, September 21st to 23rd, 2011

Dear Colleague,

Please, for your ORAL PRESENTATION in the 4th Manufacturing Engineering Society International Conference (MESIC 2011), take into account the following instructions:

1. Presentations must not be longer than 10 MINUTES. Please adjust your communication to this time.
2. Prepare your presentation in POWERPOINT or PDF.
3. Slides must be written in ENGLISH
4. Simultaneous translation Spanish-English is planned. So, you can make your speech in Spanish if you wish so.

If you follow these instructions you will help to have a successful Conference.

I thank you so much again for your interest and collaboration

Sincerely yours,

Mariano Marcos
Conference Chairman

Jorge Salguero
Technical Secretariat Coordinator
