

4th Manufacturing Engineering Society International Conference

MESIC 2011

Cádiz, Spain, September 21st to 23rd, 2011

Dear Colleague,

Please, for your POSTER PRESENTATION in the 4th Manufacturing Engineering Society International Conference (MESIC 2011), take into account the following instructions:

1. Poster must be prepared in A0 format: 1189 mm (height) x 841 mm (wide)
2. Poster must be written in ENGLISH
3. However you can also include the title and an abstract (resumen) in Spanish language.

If you follow these instructions you will help to have a successful Conference.

I thank you so much again for your interest and collaboration

Sincerely yours,

Mariano Marcos
Conference Chairman

Jorge Salguero
Technical Secretariat Coordinator
